

सर्व शक्तिमते परमात्मने श्री रामाय नमः

Param Pujya Pitaji Maharaj

2nd October, 1916 – 4th September, 2014

Our Gangotri, fountainhead of purest love, who provided spiritual sustenance to millions of us

Our Mount Kailash, with lofty untouched values that he effortlessly lived by

Our Lake Mansarovar, serene, calm, placid, peaceful, deeply inspiring and life sustaining

The unconditional love of a Guru is matchless nonpareil. And how infinitely blessed we all are to have received that in so much abundance!

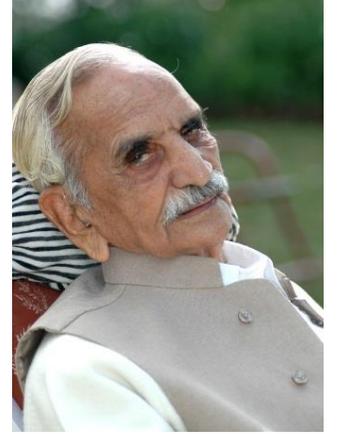

The selfless love our Pitaji radiated for one and all was truly life giving, like the Sun, radiating its pristine light to all indiscriminately! He was the glowing Sun of our lives spreading love, love and more love further and afar.

Each one of us thought we were the most loved..

"Pitaji has a special place for me in his heart..

His face lights up when he sees me.. His smile for me is special".

Not knowing, that each one of us was touched with that specialness.. We were all special for him. What a Colossus he was!

As we all are still grappling with the loss and the bereft feeling, it is time for deep contemplation.

If we are able to imbibe and emulate even a small fraction of his sterling qualities, we would be his true children and worthy of carrying his torch. If we raise the caliber of our thinking in His Honor, we would raise the bar for our own elevation.

Let us stay steadfast and walk the path of Param Pujya Pitaji Maharaj's vision with renewed vigor, under the celestial guidance of our Gurujans.

अखण्ड मण्डलाकाराम व्याप्तम् येन चराचरम् । तत पदं दर्शितं येन तस्मै श्री गुरुवे नमः ॥

I bow to my Guru, who has revealed the true form- unfragmented, infinite, timeless, omnipresent divinity, pervading the entire universe...
